EXPERIENCE

YMCA Camp Kern, Oregonia, OH Summers 2016 – 2019

Director, Camp Pool June 2019 – August 2019

- Managed pool operations – budgeting, purchasing, scheduling, maintenance, chemistry – ensured safety and availability for over 300 campers each week
- Trained and equipped 31 lifeguards through initial and in-service training
- Saved \$600 in pool operations by sourcing new suppliers and implementing procedures to reduce wear and destruction of equipment
- Increased safety by improving lifeguard scheduling: higher water staff to camper ratio and no increase in costs

Assistant Director, Ranch Camp June 2018 – August 2018

- Managed 14 counselors and 5 programs for 80 campers per week
- Taught counselors and campers to care for the 70 horses, identify equine illnesses and injuries, and proper safe riding techniques
- Developed daily program schedules for camp activities
- Deconflicted schedules with 4 other departments to ensure awesome experiences for campers

Counselor, Ranch Camp May 2016 – August 2016; June 2017 – August 2017

- Worked with groups of 16 campers to introduce horseback riding and advance skilled riders' abilities
- Developed engaging camp activities for kids ages 7 to 16
- Lifeguarded at the pool, lake, and river for campers and staff
- Ensured safety for campers and staff during rock climbing and high ropes courses

University of York, York, UK

Radio Broadcaster -- York Radio December 2015 – June 2018

- Developed and co-hosted a music-themed radio show with an international following
- Managed and worked as a member of the marketing team to boost listeners and recruitment

Student Movie Theatre -- York Movies January 2016 – June 2018

- Managed front of house operations and health and safety of all

PROJECTS

Coding Garden Community App — *Project Leader*

I am currently working on an online community's app as a project leader. The goal is to create a website and app for programmers to collaborate and discuss an online content creator Coding Garden with CJ.
